## GLOBO ROYAL CHAIR

The hanging chair “Globo Royal Chair” is the ideal place to relax. Multiple layers of weatherproofed spruce wood guarantee maximum stability and safety. The “Globo Royal Chair” is equipped with a big soft cushion (cushion cover washable) which makes it a real cosy place. With water-repellent filling. Including two coil springs.

The cushion covers in the colours anthracite and taupe are made from solution dyed acrylic material. They are as soft as cotton, and moreover have a special coating which provides protection against stains and mildew. Local soiling can be quickly and easily removed by light brushing or vacuuming. Oil-repellent – and heat and moisture will not give rise to condensation. Light fastness 7/8.

We recommend the use of our stand “Globo Royal Stand” (not included).

AMAZONAS uses FSC™-certified wood from sustainable European state forests for the manufacture of their products.
